Dear Attorney Kemp,

My Name is Herman F. Jackson. I have known Mr. Robert Reynolds for 50 years. We grew up here in Ozark, AL, Robert being two years older. We also attended the same high school and we are now both members of the Carroll High School Quarterback Club.

I have known Mr. Reynolds to be friendly, caring and enjoyable to be around.

Mr. Reynolds has spent many hours assisting an elderly gentleman in the community (Mr. Samuel Ledbetter), with many things such as making sure he has heat in the winter and air conditioning in the summer, and just making sure of his well being.

Robert has been involved in several events to help those in need. Many times there have been situations where a family needed money for food or to bury a loved one, and he has always been willing to help.

If you need further information, please feel free to call me: 334-774-5132 or 334-774-9132.

Sincerely,

Herman F. Jackson, Director
Vivian B. Adams School

To whom it may concern and to Mrs. Patricia Kemp I Priscilla Snell has known Mr. Reynolds for 30 years and he has known me even longer. This is what i think the kind of man Mr. Reynolds is. Mr. Reynolds is a very helpful man. When church's are selling food he always buy a plate or two just to help them out. If he doesn't buy a plate he will donate money also to help them out.

I have known of people who have had death in their family and couldn't burried them. Mr. Reynolds would go to the Funeral Home and make some kind of agreement to help them. He is always buying tickets from the children to help them out in sports just to tell you what a good man he is. When my daughter was selling tickets so she could go to cheerleading camp, she said I'm going to ask Mr. Reynolds because i know that he will help me and buy more than one (and he did).

You know that Mr. Reynolds is a good hearted person. When I was opening up my business I went to him for advice and he helped me. I know of other people who have went to him for his opinion on opening up a business. Two other people was opening up the same kind of business he had but, he helped them anyways. He knew that it would take away some of his business. He would always tell me to give back to the community because the community

is the one's that's helping you.

Mr. Reynolds is a giving person. He will give you his last, one time it was a lady that was sick in the Hospital that went to the same church as him. She couldn't pay for her medical or her bills for that month. Mr. Reynolds asked 4 other men to help donate some money to her. It was December and i was in Walmart doing some Christmas shopping. I saw Mr. Reynolds with 3 bikes. I said Mr. Reynolds you don't have any kids who are buying bikes for? He told me that he was going to donate them to help out the children for Christmas. All I can tell you about Mr. Reynolds he is a man with a big heart. If he can help you he will!!!

I have known Mr. Reynolds for approximately fifteen years basically as a business owner and resident of the Ozark community. While my association with Mr. Reynolds is limited, I can tell you that in my dealings with Mr. Reynolds he has always been cordial and as far as I know he has always presented himself as a gentleman. I have never had a reason to question his integrity nor his honesty. I will point out that I do not know anything concerning Mr. Reynolds personally so I cannot offer any information in that regard. All of my dealings with Mr. Reynolds have been in my capacity as a law enforcement officer with the City of Ozark. My last encounter with Mr. Reynolds was about a year to a year and a half ago in which he was the owner of a local social establishment. I have never had any adverse dealings with Mr. Reynolds.

Should you have any further questions, please feel free to contact my office.

To Whom it May Concern:

I have known Mr. Robert Reynolds and his family for some 15 years. Our relationship has fostered into a solid friendship. He has a reputation for being a good citizen as he is always willing and ready to help those less fortunate, and willingly steps forward to assist with community projects. In my opinion, he is a good family man, respects his fellow man, and is respected in our small town by all who have had the pleasure of his association. I truly believe he is a person of good character and from everything I know about him, he has demonstrated that in this community. I trust him and believe in him. I would hire him tomorrow knowing that I would be getting a person of great integrity.

Sincerely,
